## **1. PURPOSE AND SCOPE**

The purpose of these policies and procedures is to establish a framework for operations in the conduct of the Army Force Management School (AFMS) courses. These courses include a core course of general force management subjects and three functional modules, which address combat & materiel development, force development, and training development. These courses form the “core” curriculum that provides the student the education and training necessary to perform the duties required in the force management arena. Additionally, twice yearly, a Combat Development Executives Course, 2 weeks long, is taught in conjunction with the first two weeks of the Force Management course.

Additional courses taught at AFMS include: General Officer/Senior Executive Service Course, Action Officer Force Integration Course, Army Material Command Action Officer Course, Deputy Chief of Staff – Personnel Action Officers Course, Deputy Chief of Staff – Logistics Action Officer Course, and Army Joint Action Officer Course.

Since the composition of any given class will include students from the local area as well as those on TDY, the information provided is intended to assist all students in the preparation, participation and completion of the courses in the most efficient and productive way possible.

The scope of these policies and procedures will address those actions required by the school staff and faculty and the students from the time of notification of attendance in the course to completion and return to home station.

## **2. FUNDING**

DCSOPS, Headquarters and Department of the Army fund the Force Management course. The General Officer / Senior Executive Service course is funded through a variety of sources (GOMO for active duty General Officers, state funding for National Guard General Officers, assignment agency funding for SESs, etc). A welcome letter which transmits this pamphlet and addresses specifics pertaining to each student of Force Management and General Officer / Senior Executive Service classes will provided information regarding travel orders. All other courses are funded through their initiating agencies and travel orders will be provided to the students through those agencies.

## **3. CLASS COMPOSITION**

Classes will be comprised of both local and TDY students. Reimbursement for TDY for the Force Management Course will be in accordance with the provisions of the JFTR (military) and the JTR (civilian).

## **4. REGISTRATION/PERSONAL DATA FORM**

A Registration / Personal Data Form is included in the welcome packet and students are requested to complete this form (Appendix 1) and return it to AFMS administrative office by FAX, DSN: 655-4910 or COMM: (703) 805-4910 as soon as possible after receipt. In exceptional circumstances, the Registration / Personal Data Form can be hand-carried to registration. (Note: Arrangements for TDY lodging will be difficult, at best, to arrange.)

## **5. DD FORM 1556 (CIVILIAN STUDENTS)**

Civilian students may bring a locally-initiated DD Form 1556, Request, Authorization, Agreement, Certification of Training and Reimbursement Form with them from their home station in order to have completion of the course entered on their training record.

## **6. ARRIVAL**

a. TDY Students: There is no requirement for students to report to Humphreys Hall until Monday, the first day of the course. Those students who have confirmed reservations for Government quarters on Fort Belvoir should proceed directly to the Front Desk of Knadle Hall (Billeting Office), Building 470 on the day before class starts. If students are being billeted at Oakwood Corporate Housing or another commercial facility, they should proceed directly there from the Airport. Students arriving at local airports should follow these instructions:

(1) National Airport. Students may take a taxi to Knadle Hall (if billeted at Fort Belvoir) or to Oakwood Corporate Housing (Oakwood Apartments at the Alexandria) or to the Hotel / Motel of their choice. The fare should be approximately \$30.00 to \$35.00 to these locations. Students may also use Dafries Van Services to get to Knadle Hall

(approximate cost \$12.00 to \$15.00). GET A RECEIPT and file for reimbursement when submitting your TDY voucher.

(2) Dulles Airport. Take the limo service from Dulles to National Airport (approximate cost \$18.00) and then proceed from National Airport as directed in paragraph (1) above.

NOTE: No eating facilities are open on Fort Belvoir after 2100 hours on Sunday except the Bowling Center Snack Bar. The Bowling Center is open till 2130 hours.

b. Local Students: Students should report to Humphreys Hall for In-Processing between 0715 - 0745 hours the day the course is scheduled to begin.

## **7. BILLETING**

First priority for lodging Force Management Course TDY students will be in government quarters; the billeting facility is Knadle Hall, Building 470, 9775 Gaillard Road, on Fort Belvoir. Arrangements have been made to provide accommodations for 30 students at Knadle Hall. To facilitate those arrangements, the TDY students must be confirmed attendees two weeks prior to class start. A “by name” list will be forwarded to the Reservations Desk at Knadle Hall and, as students call in to confirm their reservations, they must indicate that they are attending the Force Management course at AFMS. If sufficient government quarters are not available, the student may be billeted in accordance with a memorandum of understanding with Oakwood Corporate Housing, Alexandria, Virginia. Oakwood Corporate Housing is an Army Lodging Success Program member. This lodging information applies only to the Force Management four-week course students beyond commuting distance (over 50 miles from Fort Belvoir). For all other students, facilities are available through the post billeting office at Fort Belvoir or through the Army Housing Success program in the Military District, Washington.

- (2) Military will be in the rank of Captain to Colonel.
- (3) Civilians will be in Grades GS 11 - 15.

Civilians in Career Program 26 (Manpower and Force Development) will have selection priority for course attendance over other civilian career programs

c. Security Clearances. Students are required to possess a **SECRET** security clearance for the course work in the OCTP Lab. Prior to attendance, the prospective student's Security Manager needs to complete the Security Verification Form at appendix 1-2 and fax or mail it to AFMS, ATTN: Security Officer, 5500 21st St. Fort Belvoir, VA 22060-5923. The FAX number is COMM: (703) 805-5946 or DSN: 655-5946.

d. Height and Weight Standards. Uniformed students must meet the DA height/weight standards prescribed in AR 600-9. Students that are not in compliance with the Army Weight Control Program on arrival will not be enrolled in the school and will be returned to their home station. The Program Director will enforce AR 600-9 standards.

e. Instructional Level of Curriculum. While there are no specific education, training, or experience prerequisites, maximum benefit will be realized if students have completed military educational level 4. Force management students who are able to function at a high level of reading, note-taking and writing proficiency will find the course more rewarding and beneficial.

## **10. LOCATION**

All classes are conducted in Humphreys Hall (Building 247), on Fort Belvoir, at the intersection of Kuhn Road and 21st Street. The map at Appendix 3-1 is a road map to get to Fort Belvoir; directions and a map of Fort Belvoir are at Appendix 3-2.

## **11. TRAINING DAY and SCHEDULE**

a. Training Day: 0800 - 1700 Monday through Friday.

b. Training Schedule: A training schedule for each course from start to finish will be provided to students during in processing. These schedules identify class subjects, class times, and lunch periods. The schedules are to be used as a guide and are subject to change. When there are changes, students will either receive a new schedule or be notified of them in advance by their Course Director.

## **12. ATTENDANCE POLICY**

a. It is mandatory that students attend all scheduled instruction, unless properly excused. Habitual absences or tardiness will not be tolerated and could result in appropriate disciplinary action by the Program Director.

b. As a general policy, an absence from scheduled academic instruction will not be approved, except in cases of emergency. Routine personal business, medical, and dental appointments, etc, should be scheduled (or rescheduled) after return to your duty station. Requests for excused absences must be submitted in writing through the Class Leader to the Course Director to the Program Director of AFMS for approval/disapproval.

## **13. UNIFORMS/APPROPRIATE ATTIRE**

a. Military personnel - Class B seasonal uniform. November through March the weather is fairly cold in the Washington area. A raincoat, black sweater, or windbreaker is recommended for those months.

b. Civilian personnel - business casual. Men: Slacks (no jeans) and sport shirt (tie is not required); Women: Skirt/slacks (no jeans) and blouse.

c. A safety requirement on Fort Belvoir is that all persons jogging during hours of limited visibility wear a reflective armband, vest or other item of reflective clothing, which will provide equal visibility from all directions.

## **14. CODE OF CONDUCT**

All students will conduct themselves in a professional and socially acceptable manner. Students not meeting appropriate standards will be referred to the Program Director for determination of continued course attendance.

## **15. CLASSROOM CONDUCT**

Students are expected to be prompt, attentive, cooperative and courteous to fellow students, staff, and instructors. Smoking is prohibited throughout Building 247.

Designated smoking areas are on the north side sidewalk of building 247 where ashtrays have been provided. Eating lunch, drinking coffee, tea or soft drinks are permitted in classrooms. Classrooms will be kept neat and clean.

## **16. ACADEMIC EVALUATION**

The following evaluation tools will be administered:

- a. Force Management Course: Diagnostic (not counted toward course grade), Midterm, Final examination and Case Study Evaluation.
- b. Sub-course: One examination / evaluation.
- c. All other courses: No course grade examination / evaluation.

## **17. GRADUATION REQUIREMENTS**

To receive an AFMS certificate of training for the Force Management Course, the individual student must achieve a minimum average of 60% on the Mid-term and Final examinations and a minimum final average of 70% on all examinations and evaluations.

Example:      Midterm examination (worth 25 points) = 50 %;  
                    Final examination (worth 25 points) = 75%  
                    [Examination average = 62.5 % (*31.25 points*)]  
                    Core case study evaluation (worth 25 points) = 85 %; [*21.25 points*]  
                    Sub course examination/evaluation = 85 % (worth 25 points) [*21.25 points*]  
                    Final grade = 73.75 % [*31.25 points + 21.25 points + 21.25 points*].

## **18. ARMY ORGANIZATIONAL COMMAND TRAINING PROGRAM (OCTP)**

The Army Force Management School has a well-developed, computerized facility with all necessary equipment and access to data banks to support case studies, assessments, and related integrated Force Management activities. The AFMS Staff and Faculty provide the scheduling and administrative support for this facility in support of school training activities.

## **19. INSTRUCTIONAL MATERIALS**

Instructional materials are issued to students on a permanent basis. They become the student's responsibility for disposition. As these materials are very useful tools for those assigned to Force Management positions, each student should allow ample space in their luggage to take these materials home. AFMS is neither funded nor staffed to package or mail this material to a student's home station.

**20. MAIL.** The mailing address for personnel attending the School will be:

US ARMY FORCE MANAGEMENT SCHOOL  
ATTN: (YOUR NAME)  
5500 21ST STREET SUITE 1400  
FORT BELVOIR, VA 22060-5923

**21. HOW TO CONTACT YOU**

a. During the duty day: Telephone calls for students may be received at Humphreys Hall, COMM: (703) 805-4901 or DSN: 655-4901 between 0730 and 1700 hours on weekdays. Students will not be excused from class for calls unless an emergency exists.

b. After duty hours: Routine calls to individual students staying at the BOQs on Fort Belvoir may be received at the Front Desk of Knadle Hall, COMM: (703) 704-8600 / 8700 (DSN 655), or their room (numbers will be assigned at check-in). The call will ring back to the operator in Knadle Hall if there is no answer. The operator will take a message. A light on the phone will be on if a message has been received. For an extreme emergency after duty hours, when all other methods fail, a caller may contact the Headquarters, Department of the Army Duty Officer, COMM: (703) 697-0218 / 6219.

c. After duty hours: Emergency calls for individual students staying at Oakwood Apartments at the Alexandria may be received at 1-800-285-4507. Students do have a phone in their rooms and all efforts should be made to contact the student before resorting to the emergency number.

**22. TELEPHONES**

a. Official Calls. Three telephones are available in suite 1400, Humphreys Hall, during the daytime for students to make official, outgoing telephone calls only. Calls should be less than 5 minutes.

b. Personal Calls. Due to the number of students in training and the limited number of personnel available to answer phones, all students are requested to restrict incoming calls to AFMS to emergencies only. Arrangements should be made to call family and friends after hours to preclude personal calls on official phones. Pay telephones are located in Building 247 and at various locations on post.

**23. AMERICAN RED CROSS**

Student's family members who may need to contact you through the Red Cross should call (703) 805-2057 for information and assistance. The National Capital Chapter in Washington, D.C. provides night and weekend coverage and the number to call is (202) 728-6499. It is important that family members know your social security number and the school you are attending in the event the Red Cross needs to contact you.

## **24. MEDICAL SERVICES**

Military personnel requiring medical services will be treated at DeWitt Army Hospital located on Fort Belvoir. Civilian students may receive emergency medical care at DeWitt Army Hospital per authorization on their orders. (Emergency Room 805-0518).

## **25. STUDENT FEEDBACK**

Student feedback is vital to the meaningful assessment of the effectiveness of this course. Students will be issued critique sheets during the course and student cooperation in completing them will be appreciated.

**26. SOCIAL FUNCTIONS:** Functions are at students' initiative or as announced.

## **27. COURSE COMPLETION**

Certificates of Course Completion will be presented to students at the conclusion of each course. Completed (signed) DD Form 1556s will be returned to those students that provided them to the Commandant or the Administration/Logistics Assistant on registration. An "Exit Package" containing TDY information will be provided to the Force Management students prior to receiving their Certificates of Course Completion.

## **28. SUPPORT TO THE GRADUATE**

The intent for the Army Force Management School is to provide continuous, current support for the corps of Force Management graduates. So that the graduates remain in contact with the school, updated school, faculty/staff, reference and course information is readily available at our website:

<http://www.afms1.belvoir.army.mil>

The Webmaster is Mr. Avatar LeFevre, (703) 805-5924, DSN 655-5924.

In addition, periodic Newsletters, containing articles of current interest to Force Managers or addressing activities at AFMS will be posted to the website. The Program Director and the Program Manager select the works published in the Newsletter.

## **29. MISCELLANEOUS**

a. Checks can be cashed for \$50.00 at the Fort Belvoir Officer's Club, (for officers or civilians who are members of another club). Personal checks up to \$300.00 per day (military or civilian) and government checks up to \$500.00 may be cashed at the Fort Belvoir Post Exchange. Military and civilian students may cash government checks at the SunTrust Bank as long as they can prove they are here on TDY status by providing the bank a copy of their orders. Additionally, military personnel may cash personal

checks up to \$100.00. There is a \$3.00 fee for cashing government checks and a \$5.00 fee for cashing personal checks at SunTrust Bank.

b. If you are a coffee drinker, you should bring a coffee cup with a lid to use during the course. This will reduce the cost of the coffee fund, reduce trash and waste products, and save wear and tear on the carpets in the break areas. Provisioning of coffee for students is a student (class) responsibility. A 42-cup coffee pot is provided in the student break area for the Force Management Course. The purchase of coffee, cream, and sugar etc. and the making of coffee are student (class) responsibilities. Past classes have organized a “coffee committee” on the first day of school to take care of these duties. The student break area around the coffee pots will be kept neat and clean.

c. Requests for Reproduction. Any student requiring access to reproduction equipment must coordinate with the Admin/Logistics Officer or his Assistant.

### **30. INCLEMENT WEATHER**

In the event of severe weather conditions, the AFMS may be closed or have a late arrival or early dismissal based on either an Office of Personnel Management (OPM) or AFMS decision. Students will be notified as follows:

a. Notification.

(1) During Duty Hours. The Course Director will advise students of early dismissal.

(2) During Non-Duty Hours. Students will follow the OPM instructions covering all federal employees in the Military District of Washington (MDW) area as announced over local radio and television stations. Students should specifically follow instructions for “all federal workers” or “Fort Belvoir” (if such a distinction is made).

b. Delayed Arrival or Liberal Leave Procedures. If a “delayed arrival” or “liberal leave policy” is announced by the Office of Personnel Management (OPM), the Program Director will assess the situation and determine if classes will be held and, if so, the delay stated. Students will be notified of the decision through the pre-established class emergency notification procedures (telephone roster). If no announcement or other contact is made, students are expected to report to class on time, if possible. However, prudence should always dictate student actions and AFMS does not expect students to involve themselves in dangerous expeditions or extraordinary measures to arrive on time. Prudence includes a reasonable effort to obtain public transportation.
